How to use Virtual Exhibition

Visitor can search for exhibitor's company name, product category at Search Box by insert keyword on Exhibitor/Product.

Then the result will be shown only what we filtered.

Search Result

When scroll down, the visitor will see Company List

What does each Company Badge include?

1).Online/Offline icon>To let visitor know if Exhibitor is Online/Offline?

-Online – Green Colour

-Offline – Grey Colour

2).Company's logo

3).Company name

4).Country

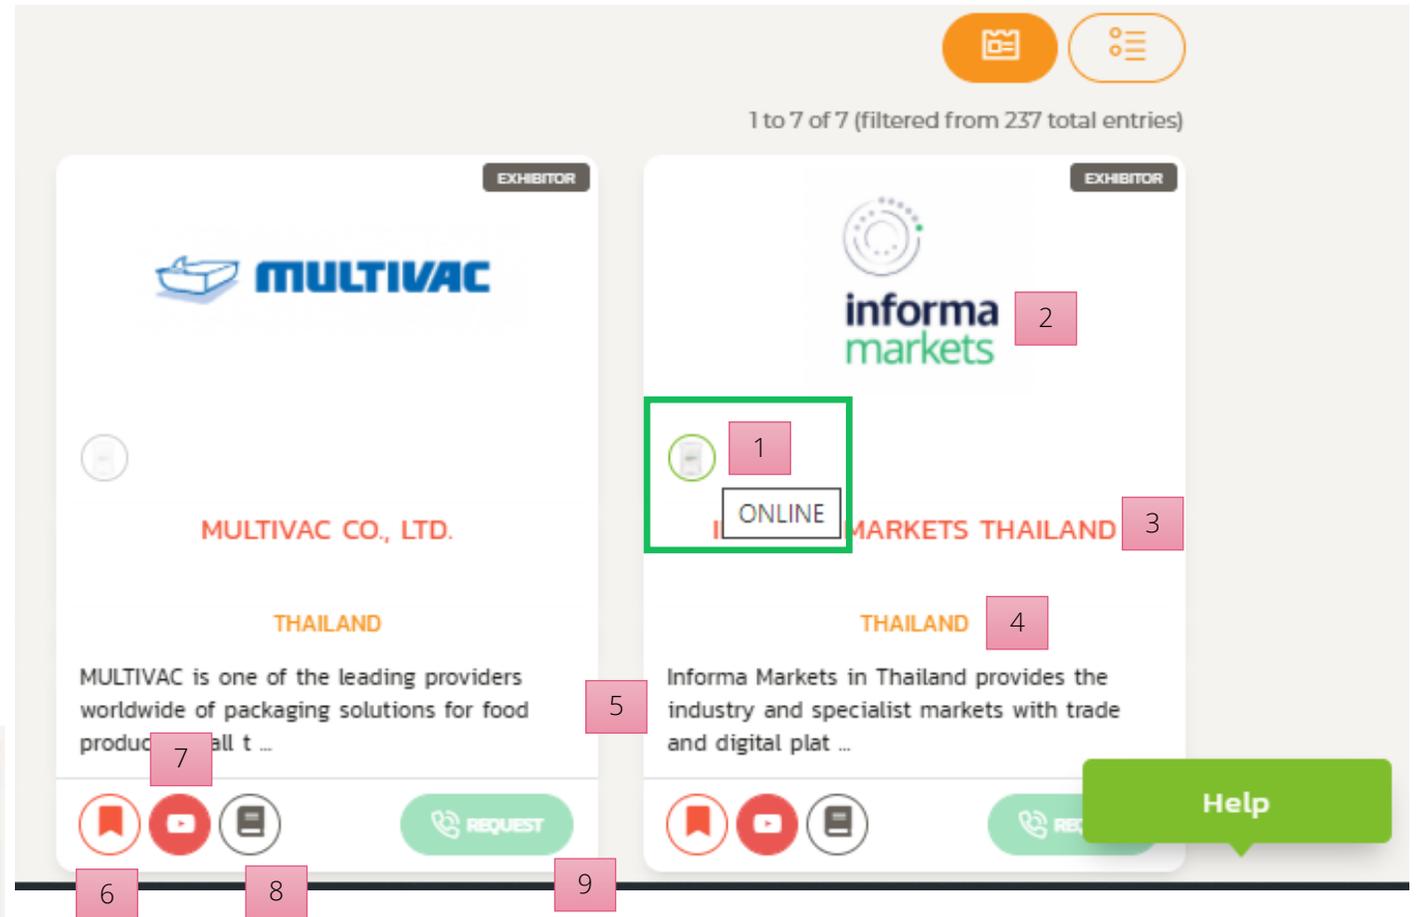

5).Company Short Description

6).Bookmark as Favorite

7).VDO (exhibitor upload at the backend) & can view at this page (pop-up)

8).Read More, to access to Company's Digital Showroom

9).Request Button – request or a conference call

E-Badge Visitor Information

- Name
- Title
- Company Name
- Country

Once visitor log-in to platform, it will record visitor's activity i.e.

- visit digital showroom
- enter to conference room
- request Call/Chat to exhibitor
- chat/call history
- missed call (from exhibitor)

How to use function: Conference Call

1. Go to exhibitor (by search)
2. Click Request (Green button) and then it will show small pop-up page
3. Insert short message (option with 100 characters max) for greeting or introduced yourself to exhibitor.
4. Click Send Request
5. There will be notification at Exhibitor side
6. Wait for Exhibitor to Accept and Call Back then Visitor can start to talk/chat with Exhibitor -Chat Function (in blue) will be shown after Exhibitor accepted the request.

Remarks: Visitor won't allow to start to Call or Chat with Exhibitor before, it is in other way around.

Example how's it look when exhibitor accepted the request

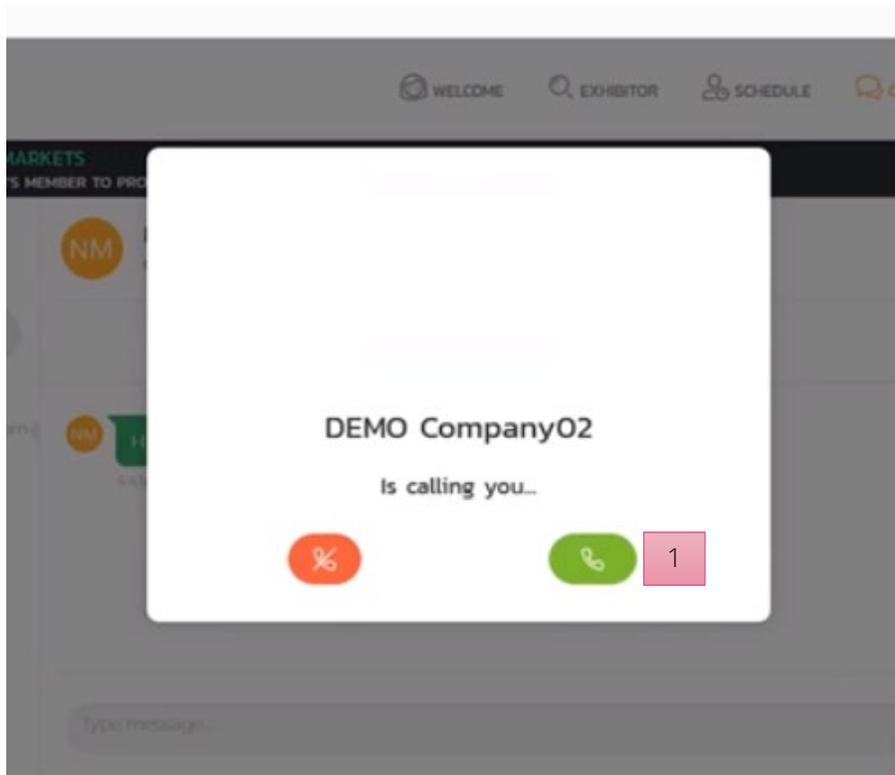

Company still not accept the requested

Company accepted the requested or call back to visitor

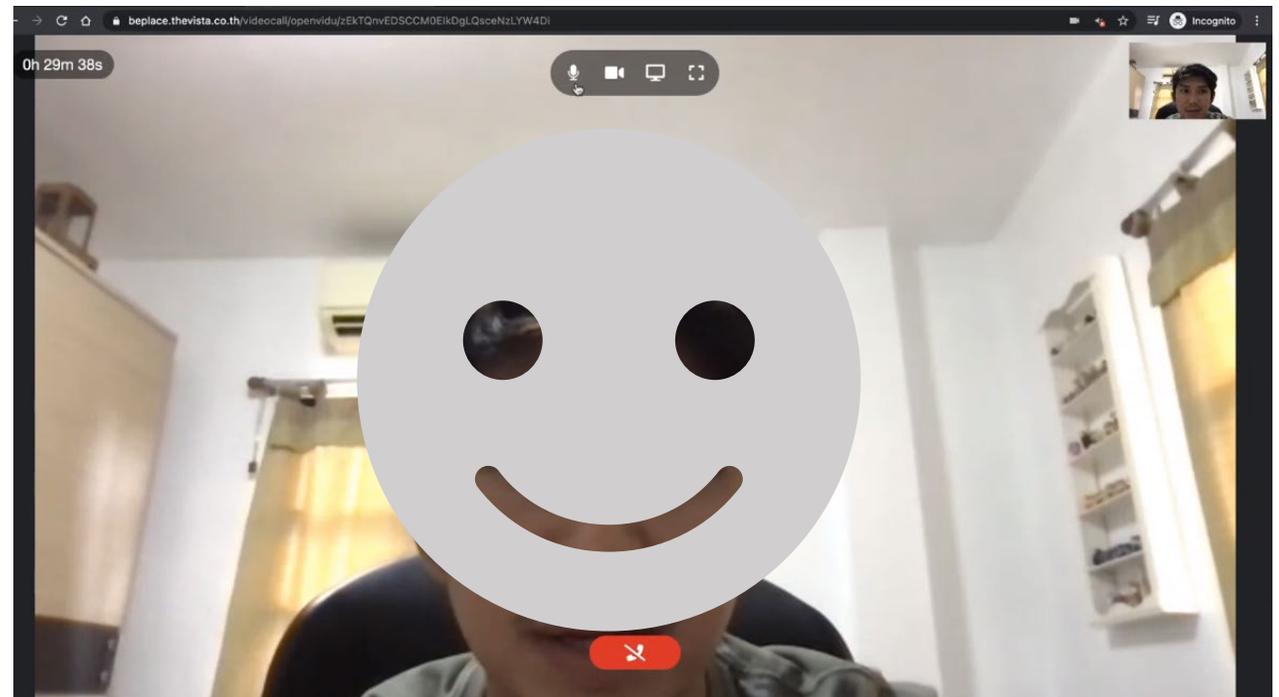

Conference Call (cont.)

1. Visitor will get a notification when Exhibitor Call Back after Accepted the request
2. If visitor did not answer the call, it will be shown on "Missed Call" menu
3. Calling time will be limited at max. 30 minutes per slot
4. If the time is running out, exhibitor can start to call back to visitor. Visitor still cannot call to exhibitor but must request for a call again (same process).

Visitor will see notification when visitor still online on the platform

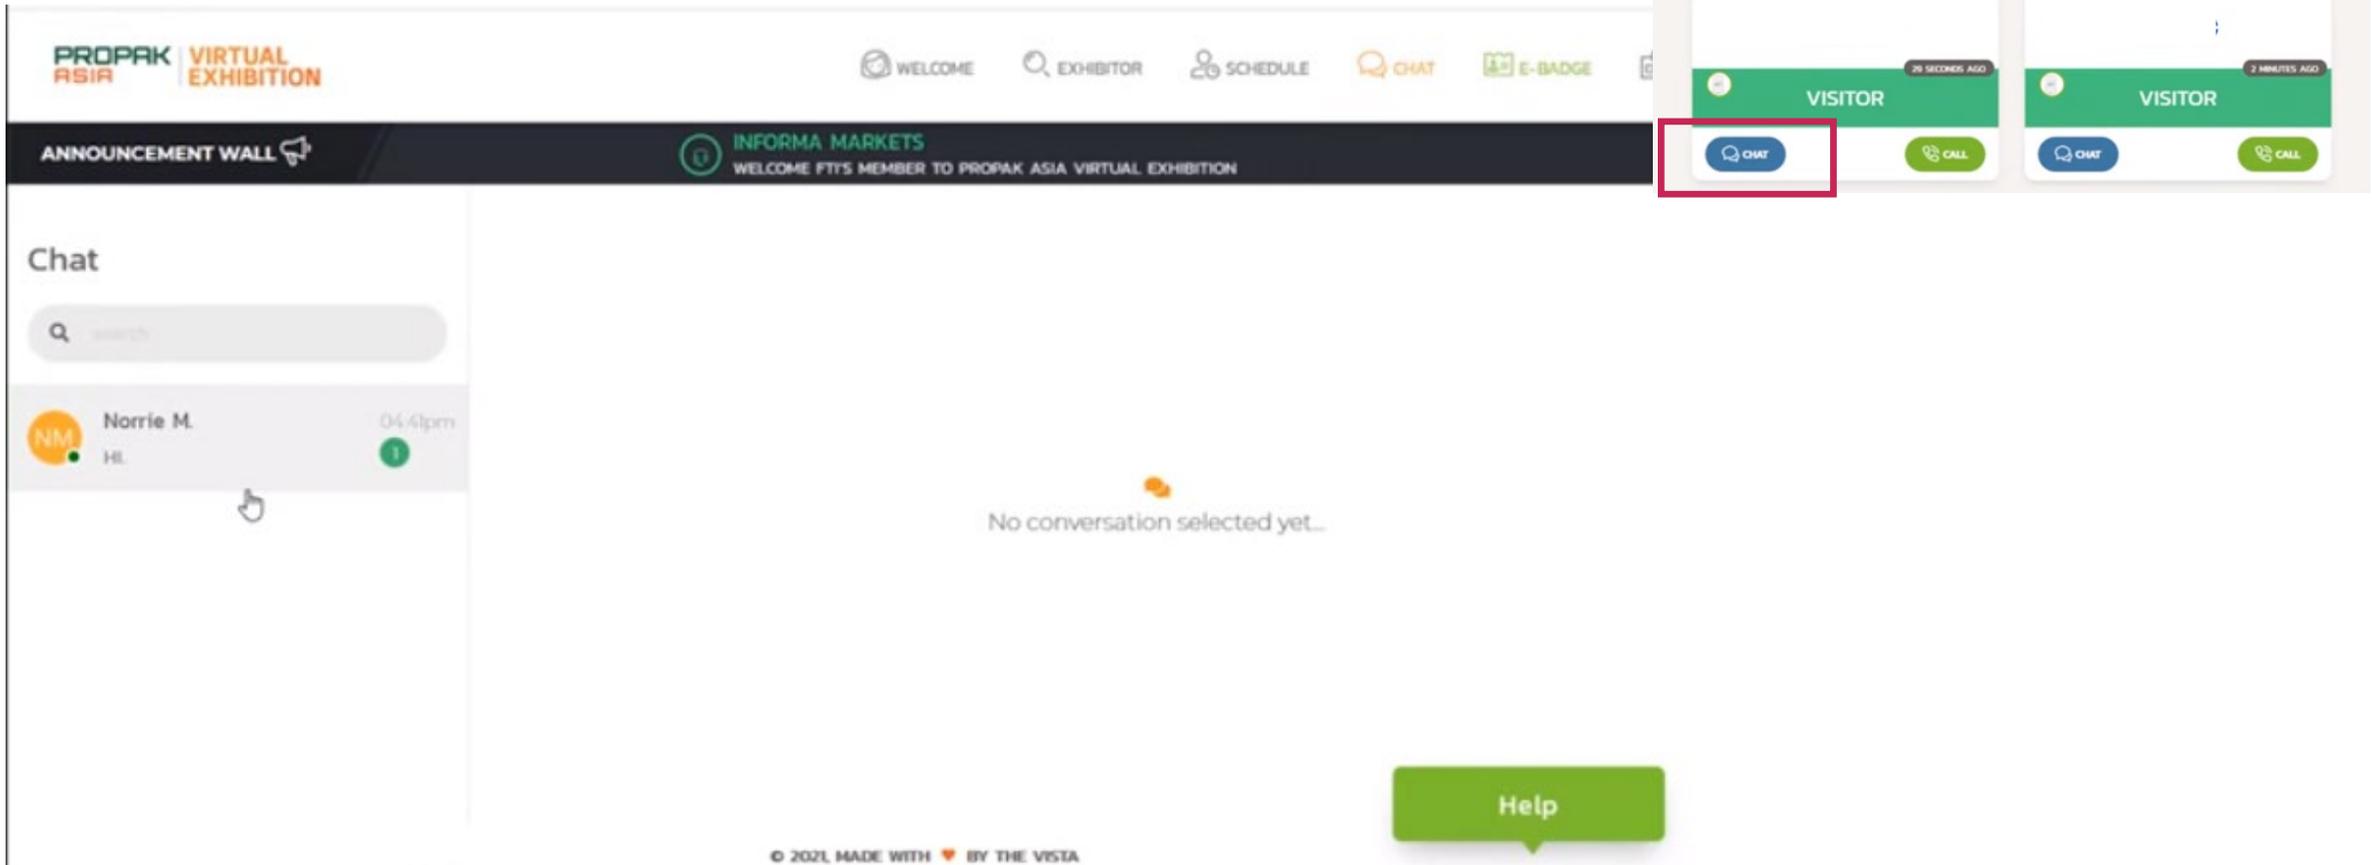

Remark: Large screen is Exhibitor and Small screen is Visitor.

CHAT

1. Left hand side show Chat history with other exhibitor or organiser
Once Exhibitor accepted the request from visitor, visitor can start to chat anytime with exhibitor

THANK YOU
