

The Potential of **District Cooling in Thailand**

Speaker

Mr. Michael Khoo

Bid Manager
ENGIE South East Asia

Michael is a member of ENGIE's regional development team in South East Asia. He has been actively engaging clients from the public and private sector to offer ENGIE's District Energy solutions in a bid to help them accelerate their transition towards carbon neutrality. Prior to joining ENGIE, Michael was a business developer with 15 years of experience in the energy sector.
